

2023 Foundation Opportunities

Community Foundation partners have become a part of everything we do. From the NonProfit Business Council presentations to exclusive corporate level tours, from Give4Marion prize sponsorships to social media exposure, ribbon cuttings, event sharing, subject matter expert counseling, and so much more, our partners receive as much exposure and coverage as we could possibly offer.

When you partner with the Community Foundation in 2023, you have the opportunity to become a part of everything we do. Each partner has the opportunity to select any events they would like to support. Your entire donation amount will be recognized at the Pillar Society and Corporate Partner levels. Please review each opportunity below and select your desired opportunities.

Pillar Society

You cannot create a strong foundation without the support from sturdy pillars. That's why we've created The Pillar Society, a group of philanthropists dedicated to supporting the Community Foundation in our efforts to help nonprofits address the needs of community. We know the needs in Marion County may look overwhelming, but by having strong philanthropic leaders alongside the Foundation, we can work together to build a stronger community enhancing the quality of life for everyone. Members of The Pillar Society lead by example and be part of the solutions needed, while the Foundation serves as the guide connecting passions to purpose. Our vision continues to **CREATE** a philanthropic community where giving back comes naturally, **CONNECT** leadership and resources to protect and propel our community, and **CAPITALIZE** on funding causes that are important to our community. We need you to take this vision to levels we have never seen before.

Please join with us as we are Building a Stronger Community... One Passion at a Time!

Members of The Pillar Society commit to a three-year annual contribution. These donations go a long way in helping the Community Foundation proactively work to ensure our community's needs are met. Those annual donors are recognized as members of this prestigious group. Listed are their total committed contributions for 2021-2023.
