### Locations:

AdventHealth Ocala-Main  
Liberty Middle School  
Bellevue High School  
North Marion High School  
Dunnellon Middle School  
Lake Weir High School  
Fort McCoy Middle School

# **What is Back to School Community Give Back?**

Together AdventHealth Ocala, Marion County Public Schools and The Community Foundation of Ocala/Marion have partnered to bring thousands of families together to celebrate Back to School.

Over 6,000 backpacks and supplies will be distributed at across 6 locations in Marion County. The event main host location will be at AdventHealth Ocala Auxiliary Center and parking lot. Our satellite locations will include North Marion High School, Belleview High School, Liberty Middle School, Ft. McCoy Middle School, Lake Weir High School and Dunnellon Middle School.

## **Attendees and Registration**

Each student attendee will be registered by a parent or guardian on our registration portal. We will collect student names, age, grade level, and school information. Student attendees can only be registered for one location. Which will help ensure that our community is served at the highest level.

## **Supply Boxes**

Supply boxes will be distributed throughout the county to assist in collecting donations such as student and teacher supplies, hygiene products, coats, socks, clothing, and nonperishable items. These collected items will be distributed to multiple nonprofit organizations serving MCPS families.

## **How will these donated items reach the community?**

Each nonprofit will apply to receive specific items based on their organizational need. Each nonprofit application will be reviewed by the Back-to-School Committee and a percentage value of items collected will be designated for each qualified nonprofit to receive. Every receiving organization will be required to have a distribution plan upon approval.

## **Graduate Sponsor**

**\$5,000+**
